

## ***2023 Scholarship Applicants Instructions***

**DEADLINE FILING DATE: October 1, 2023**

**All scholarship applications must be received via email by Sunday, October 1, 2023.**

**Please email a completed TYPED application to [Scholarship@sciencesistas.org](mailto:Scholarship@sciencesistas.org).**

**Applications NOT emailed to the aforementioned email address will NOT be considered for a scholarship.**

Scholarships are open to all students applying for a professional school degree in the upcoming application cycle. Please be sure your name is on all pages. Recipients will be required to submit a final verified application or its equivalent BEFORE checks are released. DEADLINE FOR SUBMISSION OF VERIFIED APPLICATION is November 1, 2023.

All questions should be emailed to [scholarship@sciencesistas.org](mailto:scholarship@sciencesistas.org) with the subject "Questions".

Recipients will be notified in late November via email. Please be sure to include your correct email address and phone number. Scholarship checks will be made payable to the student and will be mailed once the winners are selected. Copies of all scholarship communiqué will be sent to the applicant.

**Applicants who do not comply with all of the above stipulations will forfeit this scholarship award.**

Applicants are selected based on exemplary traits, including leadership, community involvement, academic excellence, and responses to the essay questions. The information provided on the scholarship application, including **essays, (2) letters of recommendation, professional headshots, and proof of verified/submitted application**, will be used to determine the scholarship awards.

Please answer the following questions in essay format. (Attach additional pages, 300-750 words, for each question. Awards are based on how well you perform on each essay question)

1. Describe how you have served your community as a volunteer.
2. If selected as a Science Sistas Scholar, briefly describe how you would give your time and/or financial resources after graduation to support those in need?
3. Provide details on the degree you are applying for, what motivated you to pursue a degree in this field, and how your obtaining this degree will affect the community as a whole. Be sure to state your career plans/goals upon completing your studies.
